Date:	26-10-2020
Section:	C-1/AD

It is stated that I have applied for the enquiry Report in hand through the RTI Commission Act 2013 to attain the E&Sed Secretariate/Directorate.

The Enquiry was conducted on 6/12/19 but remain missing till date and having no result.

The RTI team has done a lot and makes it possible today the provision of Serial Enquiry.

I appreciated the all efforts of the RTI Commission & Assistant Registrar's team which they made these situation.

Thanks
