### **PROCEEDINGS**

Mr. Naseer Khan, Father of the Complainant Miss Shaista Naseer, in person present. Prof. Dr. Rasheed Khan, Controller and Mr. Aimal Khan, Assistant Registrar, University of Peshawar also present.

The case was discussed in detail with the representatives of the University. The PIO is of the view that due to logistic problems, it is not possible for the University to show papers of millions of students. They are also of the view that such a problem is being faced by all the Universities/Boards. The PIO suggested that a policy needs to be undertaken in respect of supply of a copy of answer sheet to the students and they would like to hold a meeting of all the Universities and Boards to highlight the logistics problems and their reservations against the supply of a copy of answer sheet to the students.

It was brought into the notice of the University Authorities that if such a move is initiated, this Commission would very much like to present its point of view on this question alongwith the law prevailing in this country and SAARC countries. If the University Authorities can initiate such a move, this Commission would cooperate in every aspect so that all reservations/logistic problems are resolved one for all.

As far as this complaint is concerned, the complainant would visit the office of the PIO to discuss the matter at their level and inform this Commission. Both the parties agreed to this discussion.
