To,

The Chief Information Commission
Khyber Pakhtunkhwa Information commission
Peshawar

Dear Sir,

My Land in Village destroyed every year due to rain water I contracted to the Irrigation Department several time but It was not heard from them

Then I asked for Record form This Department through RTI Peshawar Which was taken to me by RTI Commission Peshawar in time after which my land was fenced and rain water was blocked and I was saved from huge loss every year

For Which I am Extremely Grateful to Chief Information Commission and Assistant Registrar Khyber Pakhtunkhwa Information commission Peshawar
